Professional Dog Walkers

SECOND  
YOUR DOG'S BEST FRIEND!

- We are **dog lovers** who provide the **highest possible standards** of excellence regarding the care of our clients, pets and homes.
- Our **walks are tailored** to meet the exercise needs of your dog(s); from brisk, long walks for the younger, to short strolls and potty breaks for the older.
- We leave you a **daily or weekly report** of your dog's walk and any suggestions or comments we have regarding your dog(s).
- We are **Insured & Members of NAPDW** – National Association of Professional Dog Walkers.
- **Going out of town?** We do away visits too! We tailor these visits to meet the needs of you and your dog(s)...or animal(s).

### **You and your family are your dog's pack!**

**Did you know that your dog's natural drive makes him want to be with you all of the time?** If you are like most people you work all day - giving your dog proper companionship and exercise will help make them healthier, happier and calmer. If you are not able to get your dog out for daily walks give us a call – we are a **Owner Operated business** offering daily, weekly & occasional walks or vacation visits.
