Miracle Seat®

Eliminates Toilet Odor

Absolutely no odors escape from the toilet bowl during use. Remove the embarrassment along with the smell.

Controls the Spread of Germs

Airborne viruses & bacteria are harmlessly vented out of the home. Great for homes with children & elderly family members.

During toilet use, germs can:

- Spread out over six feet through the air.
- Linger in the air for 2 hours & more.
- Land on tissues, towels, toothbrushes & counter tops.
- Live up to 3 days on moist surfaces, towels & crevices.

Germs found in toilet emissions include:

- Fecal coliform - Hepatitis A - Shigella
- Norwalk Virus - Salmonella - And others
